

Under Cabinet Puck Lights

Specification Sheet

230588

APPLICATIONS

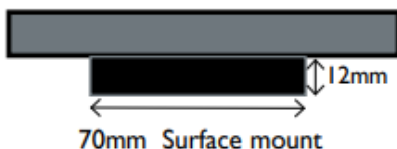

- Display Cases
- Book Cases
- Under Cabinets

FEATURES

- Perfect for installation in display cases, book cases and under cabinets
- Can be recessed or surface mounted
- Easy installation, surface mounted with screw
- Available in white, black or silver/aluminum

SPECIFICATIONS

Size: 70w x 14h mm
 Power lead length: 1m
 Colour: Warm white, natural white
 Material: Aluminum 6063 TS
 Luminous Flux: 250lm
 Lifespan: 50,000 hrs
 Light Source: 3 x 1W high power LED
 Remark: Direct replacement
 Lumens per Watt: 83 lms/watt
 Power Factor: 3W

***For recessed mount
 drill 63mm 2.5" hole**

BENEFITS

- Low power consumption
- Low maintenance
- Durable construction
- Long lifetime

POWER ENVIRONMENT

Input Voltage: 12v DC
 Total Power Consumption: X watts

WORKING ENVIRONMENT

Temperature: -20°C to +40°C
 Indoor
