

HOW TO ORDER

For each of the available LED strips and aluminium profiles, you will see a presentation page with part numbers and detailed information about the product. See our order form at the back of the catalogue for a comprehensive list of options. Choose the parts needed and indicate them using the quick order code provided with the components' descriptions.

Extrusion	Cover	Strip	Voltage	Colour	Mounting	Lead+Length	Length of Strip
<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>

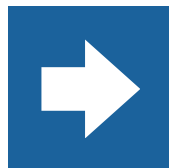

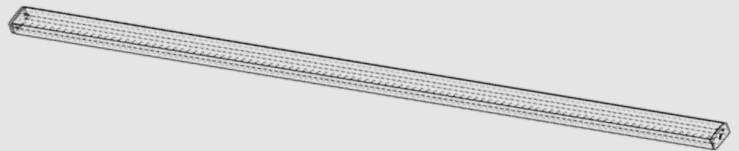

*Endcaps included. By default, Zortech LED will install the appropriate end caps according to the extrusion profile chosen. No end caps option is also available.

ORDERING EXAMPLE

To order a linear lighting fixture using a single LED strip, please choose one of our listed extrusions and LED strip. You can indicate voltage and colour temperature within the order form. We have several mounting and wire lead options to choose from as well.

By default length is specified in inches. However, if this is not the case, please indicate the units of measurement.
